

Government Polytechnic Siwan
In Association with Bihar Council of Science and Technology (BCST)
Under the Department of Science and Technology, Government of Bihar
Organize
National Science Day
(Feb 28, 2022)

Report

In Ref to letter no. BCST-PSC-01/2022-71 Dated 09-02-2022, a Mini Project/Model exhibition cum demonstration regarding the “National Science Day” was organized in our college on 24-02-2022. Total 15 Models/Projects (Models-14 & Project-1) were presented by students on the theme- “**Integrated approach of Science and technology for sustainable future**”. All the Models were very fascinating and meaningful.

An Internal evaluation committee have evaluated the models/ project on the basis of their level of understanding, design and methodology, execution, creativity, overall presentation and application/ use of models and selected three best models among them. Which are listed as-

Sr. No	Name	Semester	College Name	Model/Project	Application/Use
1.	Mr. Ashish Kumar Mahto Ms. Sanskriti Chitransh Mr. Satish Kumar Tiwari	5 th	G P Siwan	IOT Based Security System	Security Purpose
