REPORT ON FRESHER'S PARTY

Date of Event: 6 November 2023

1. Introduction

Government Polytechnic Siwan organised a Fresher's Party on 6 November 2023 to welcome newly admitted students into the college community. The event was conducted under the guidance of Principal Dr. Praveen Pachauri, with Mr. Vicky Kumar Baitha serving as the Event Coordinator. The programme provided a warm and friendly beginning to the academic journey of the new students.

2. Objectives of the Programme

The main objective of the Fresher's Party was to welcome new students and help them feel comfortable in their new academic environment. The programme also aimed to encourage interaction between freshers and senior students, promote friendship and teamwork, and develop a sense of belonging to the institution. Such activities help students build confidence and take part in college life beyond classroom learning.

3. Leadership and Coordination

The programme was organised under the leadership of Principal Dr. Praveen Pachauri. His guidance supported the smooth conduct of the event. Mr. Vicky Kumar Baitha coordinated the programme and helped oversee the arrangements. The event reflected the importance of cooperation among the college community in making student activities meaningful and welcoming.

PROGRAMME HIGHLIGHTS

4. Welcome andIntroduction

The programme began with a welcoming atmosphere for the newly admitted students. The freshers had an opportunity to become familiar with the college environment and interact with fellow students and seniors. The gathering helped create a positive start to their time at Government Polytechnic Siwan.

5. Cultural and Recreational Activities

A Fresher's Party is an opportunity for students to share their talents, enjoy recreational activities and participate in a lively social gathering. The event provided a setting for students to interact in an informal atmosphere and build new friendships. Cultural and recreational programmes of this kind can help students express themselves, develop confidence and strengthen the bond between different batches. Specific performances and activities are not listed here because detailed programme records were not provided.

6. Interaction and Student Bonding

One of the important purposes of the event was to encourage communication between freshers and senior students. Informal interaction helps new students learn about college routines, academic expectations and student activities. It also promotes mutual respect, cooperation and a supportive campus culture.

7. Role of the Organising Team

The successful conduct of a college event depends on planning, coordination and the participation of students and staff. Under the supervision of the Principal and the coordination of Mr. Vicky Kumar Baitha, the event brought members of the college community together for a shared celebration. The programme highlighted the value of teamwork and responsible participation.

OUTCOME AND CONCLUSION

8. OutcomesoftheEvent

The Fresher's Party served as a welcoming platform for new students at Government Polytechnic Siwan. It encouraged students to meet one another, begin forming friendships and feel more connected to the institution. The programme also reinforced the importance of student participation, teamwork and a positive learning environment. These experiences can contribute to a more confident and engaged student community.

9. Conclusion

The Fresher's Party held on 6 November 2023 at Government Polytechnic Siwan was organised to welcome the new batch and introduce them to college life. The programme was conducted under the guidance of Principal Dr. Praveen Pachauri, with Mr. Vicky Kumar Baitha as Event Coordinator. The event reflected the institution's emphasis on creating a friendly and cooperative campus environment. It provided a positive opportunity for students to begin their academic journey with enthusiasm and a sense of belonging.
