REPORT ON TEACHERS' DAY

GovernmentPolytechnic Siwan

Date of Celebration: 5 September 2024

Organized Under the Guidance of: Dr. Praveen Pachauri, Principal

Event Coordinator: Mr. Vicky Kumar Baitha

1. Introduction

Teachers' Day was observed at Government Polytechnic Siwan on 5 September 2024 to express respect, gratitude, and appreciation for the teachers who guide students in their academic and personal development. In India, Teachers' Day is celebrated every year on 5 September, the birth anniversary of Dr. Sarvepalli Radhakrishnan, an eminent teacher, philosopher, and former President of India. The occasion highlights the important role of teachers in shaping responsible, skilled, and thoughtful citizens.

2. Objectives of the Programme

The main objectives of the celebration were to recognize the dedication of teachers, encourage mutual respect between students and faculty members, and remind students of the value of education, discipline, and lifelong learning. The programme also provided an opportunity for students to express their gratitude to the teachers who support them in developing technical knowledge, practical skills, and good values.

3. Programme and Activities

The Teachers' Day celebration was organized within the college community in a spirit of respect and appreciation. The programme focused on acknowledging the contribution of faculty members to students' learning and to the overall development of the institution. Students had the opportunity to convey their thanks and recognize the patience, guidance, and commitment shown by their teachers throughout the academic year.

The occasion emphasized that a teacher's responsibility extends beyond classroom teaching. Teachers help students understand difficult concepts, develop confidence, maintain discipline, work safely in laboratories and workshops, and prepare for future careers. In a technical institution such as Government Polytechnic Siwan, their guidance is especially important in connecting theoretical knowledge with practical application.

4. Role of the Institution and Organizers

The celebration was held under the guidance of **Dr. Praveen Pachauri, Principal**, whose leadership supports the academic environment and development of students. The event coordination was entrusted to **Mr. Vicky Kumar Baitha, Event Coordinator**. Their roles are acknowledged with appreciation for supporting an occasion dedicated to the teaching community.

5. Importance of Teachers' Day

Teachers' Day reminds students that respect for teachers should be reflected not only in words but also through punctuality, sincere study, discipline, curiosity, and responsible behaviour. Teachers inspire students to overcome academic challenges, improve their abilities, and use their knowledge for the benefit of society. The day therefore strengthens the relationship between teachers and students and reinforces the value of education.

6. Outcome of the Celebration

The celebration provided an opportunity to recognize the valuable contribution of teachers and to reinforce a culture of gratitude and mutual respect within the college. It highlighted the importance of teachers in academic achievement, technical skill development, character building, and career preparation. The occasion also encouraged students to take greater responsibility for their learning and to value the guidance they receive from their faculty members.

7. Conclusion

Teachers' Day was an occasion to honour the dedication and service of the teaching community at Government Polytechnic Siwan. The celebration on 5 September 2024 recognized the lasting influence teachers have on students' knowledge, confidence, discipline, and future goals. The institution records its appreciation for the guidance of **Dr. Praveen Pachauri, Principal**, and the coordination of **Mr. Vicky Kumar Baitha**. The message of the day is clear: teachers play an essential role in building capable individuals and a better society.
